

Additional Terms to add to a Challenge

By clicking submit and submitting a Solution for this Challenge, I hereby agree to the MindSumo Terms of Use (found at https://www.mindsumo.com/terms_conditions) and the following additional terms:

1. In consideration of the opportunity to participate in the Challenge, I hereby grant to Siemens Energy, Inc. ("Siemens") the intellectual property rights (including but not limited to any copyrights, trade secrets, and inventions) contained within the Solution to the Challenge, **only if the Solution is a Winning Solution**, and understand that the Solution may be used by Siemens as it sees fit;
2. I agree to execute in writing any assignments or licenses to convey to Siemens the intellectual property rights contained within the Solution;
3. I certify that the Solution to this Challenge is my own original work;
4. I certify that I am not aware of any patents that may be infringed by the exploitation of the Solution;
5. I waive any claim to, or entitlement to, any rights in the Solution;
6. I certify that the Solution does not infringe on any third party's copyrights, trade secrets, or other proprietary rights or rights of publicity or privacy;
7. I certify that the Solution does not violate any law (including without limitation those governing export control, consumer protection, unfair competition, anti-discrimination, or false advertising);
8. If the Solution contains any third-party information, I certify that I have acquired in writing all necessary rights and permissions from third parties to include such third party information in this Solution and have provided appropriate credit for the third party information;
9. I further release Siemens from any claims and demands arising out of or in connection with any use of the Solution; and
10. I authorize Siemens to use my name, likeness, and/or biographical information in connection with the Solution.
